Usage Guidelines for PROMOTIONS EAST 2008 Post-Show Attendee List

Pre and post-show attendee lists are provided to exhibiting companies of PROMOTIONS EAST 2008 as a value-added benefit. By ordering the PROMOTIONS EAST pre-show attendee list, you acknowledge the list remains the property of PROMOTIONS EAST and must be returned to PROMOTIONS EAST upon request. Its sole purpose is for marketing your company's presence at PROMOTIONS EAST 2008 and is not to be used for any other purpose, duplicated or distributed to any person, company or entity for any reason. Attendee lists are an exhibitor only benefit and are not to be shared with suppliers who are not exhibiting at PROMOTIONS EAST 2008.

PROMOTIONS EAST staff works with various industry distributors to closely monitor the use of the pre and post-show attendee lists. For more information about the correct usage of the pre and post-show lists, please contact the PROMOTIONS EAST Management at 888-426-7724.
